

MO-29 NOT ACCEPTING APPLICATIONS PROCEDURE FORM

If your property is not accepting applications for a particular program or bedroom size at this time, this form must be displayed in the closest window to the office entrance door, as per the Office Procedures section of the Management Handbook.

Using a black marker neatly complete the following:

The date the waiting list closed on

The program and bedroom size for which the waiting list is closed

This form may not be used for USDA-Rural Development, since waiting lists cannot be closed.
